

7th European EUS Congress EGEUS 2017 with live demonstrations

President Claudio Giovanni De Angelis

TURIN - Italy
November 27-28, 2017

Program

Monday November 27th

08.00 - 08.30

Registration of participants

08.30

Opening remarks - C.G. De Angelis, M.A. Ginès

08.45

Round table - EUS Today and tomorrow: what are we doing today in real practice in different countries and where are we going?

Chairs C.G. De Angelis, M.A. Ginès

One representative for each EGEUS country:

L. Czakó, D.G. Duman, P. Fusaroli, G. Fernández-Esparrach, R. Gincul, S. Lopes, M. Nayar, A. Seicean, T. Silina, M. Tadić, L. Vandeputte

10.15 - 10.45

Coffee break and exhibition visit

10.45

Live demonstrations

Chairs R. Gincul, G. Saracco, L. Vandeputte

Live operators: A. Badaoui, H. Bertani, M. Bruno, S. Caronna, C.G. De Angelis, W. Debernardi Venon, P. Deprez, C. Fabbri, P. Fusaroli, S. Gaia, M. Mutignani, B. Napoléon, L. Palazzo, R. Rocca, I. Tarantino, T. Togliani, M.B. Wallace

EBUS: C.M. Bardessono, M. Salio, G. Tabbia

Anesthesiology team: A. Alberghina, R. Oliva, M. Riva

13.30 - 14.30

Lunch and poster presentations

14.30

EGEUS meets SIC - Italian Society of Surgery

Chairs P. Di Sebastiano, M.A. Satolli, E. Vázquez-Sequeiros

Round table - Pancreatic cancer

Clinical or US suspicion of pancreatic cancer: how to proceed?

CT? MRI? EUS? PET-CT?

- The surgeon's point of view - *R. Salvia*

- The radiologist's point of view - *N. Carroll*

CT diagnosis of pancreatic cancer: do we need FNA and should it be EUS-FNA? Rose or not Rose? The role of ancillary techniques - *L. Palazzo*

Negative FNA: should we repeat or can we rely only on imaging (CT, EUS, sonoelastography, CH-EUS) to refer patient to the surgeon? - *S. Lopes*

When and which neoadjuvant therapy? - *R. Spadi*

Any role for fiducials? - *P. Franco*

In high risk individuals can we suggest screening and what screening technique should be used? - *M. Palazzo*

Discussion

16.15 - 16.45 *Coffee break and exhibition visit*

16.45 Presenter *M. Salio*

State-of-the-art Lecture

EBUS, EUS: the “complete medical mediastinoscopy” - *M.B. Wallace*

17.15 **Round table - Pancreatic cystic lesions**

Chairs L. Ciuffreda, L. Smith, C. Kalayci

US incidental diagnosis of a pancreatic cyst: how to proceed?
CT? MRCP? EUS?

- The pancreatologist's point of view - *E. Buscarini*
- The radiologist's point of view - *N. Carroll*

When do we need FNA? What do we rely on
(biochemistry, cytology, new markers)? - *C. Guarner*

Current role of the new ancillary techniques (Confocal laser
endomicroscopy, microforceps, fiber cistoscopy) - *B. Napoléon*

Follow up: timing? What technique should be used? When to resect?
What kind of resection? - *A. Zerbi*

Discussion

18.30 **EGEUS General Assembly**

Cocktail and Congress dinner

Program

Tuesday November 28th

Concurrent sessions

08.00 - 09.00

Satellite Symposia - No CME session - Lisbona Hall
EchoTip® Ultra fiducial needle: mark the spot for radiation therapy
Chair *C.G. De Angelis*

08.00 - 09.00

Opening session: FOCUS on

Chairs *P. Bocus, L. Czako, G. Fernández-Esparrach*

Inflammatory bowel diseases: any role for EUS in the diagnostic and therapeutic management? - *M. Daperno*
Interactive discussion

Current status and future perspectives of Contrast EUS and EUS elastography - *P. Fusaroli*
Interactive discussion

EUS and the new concept of Endo-Hepatology - *A. Seicean*

Discussion and Chairs closing remarks

09.00

Welcome from ESGE President Thierry Ponchon

09.00

EGEUS meets ENETs - European Neuroendocrine Tumor Society

Round table - EUS and related endoscopic technologies in the management of GEP - NETs

Chairs *D. O'Toole (ENETs), L. Palazzo (EGEUS)*

Role of EUS/CH - EUS in the management of pancreatic NETs - *R. Gincul*

Role of EUS in the management of gastrointestinal wall NETs - *I. Borbath*

An update on the diagnostic and therapeutic algorithms of GEP - NETs - *D. O'Toole*

Discussion - invited discussants: *A. Badaoui, M.P. Brizzi, T. Silina*

10.00 - 10.30

Coffee break and exhibition visit

10.30

Live demonstrations

Chairs *O. Sendino García, T. Silina, A. Seicean*

Live operators: *A. Badaoui, H. Bertani, M. Bruno, S. Caronna, C.G. De Angelis, W. Debernardi Venon, P. Deprez, C. Fabbri, P. Fusaroli, S. Gaia, M. Mutignani, B. Napoléon, L. Palazzo, R. Rocca, I. Tarantino, T. Togliani, M.B. Wallace*

EBUS: *C.M. Bardessono, M. Salio, G. Tabbia*

Anesthesiology team: *A. Alberghina, R. Oliva, M. Riva*

13.30 - 14.30

Lunch and poster presentations

14.30

Round table - The EURCP concept in the clinical setting of Extrahepatic biliary and pancreatic stenoses

Chairs C.G. De Angelis, T. Ponchon, R. Rocca

Diagnosis: CT, MRCP, EUS/IDUS and ERCP role - *A. Anderloni*

Tissue is the issue: FNA, brushing, biopsy, peroral cholangioscopy with microbiopsy? - *M. Mutignani*

Or pCLE - *H. Bertani*

What to do in case of failed ERCP?

- Indications and limits of PTBD - *A. Doriguzzi Breatta*

- Indications and limits of EUS - guided drainage - *C. Fabbri*

Discussion

16.00 - 16.30

Coffee break

16.30

EGEUS meets AEG - Asian EUS Group

Round table: Therapeutic EUS: state-of-the-art and forecasts for the future

Chairs P. Deprez (EGEUS), Khek-Yu Ho (AEG)

EUS - guided tumor therapy: current status and future perspectives - *D.W. Seo*

EUS - guided biliary and pancreatic duct interventions: EUS vs PTBD/surgery or vs ERCP? - *V. Dhir*

EUS - guided gallbladder drainage and interventions: today and in the near future - *A.Y.B. Teoh*

EUS - guided gastrojejunostomy: present status and future perspectives - *I. Tarantino*

Interventional EUS teaching and training: the Asian perspectives - *KY. Ho*

Discussion

18.00

Closing remarks - C.G. De Angelis, M.A. Ginès
